JUDICIAL AND REVENUE DEPARTMENT, THE 28TH JANUARY, 1834.

The following Order, passed in Council on this date, is published for the information and guidance of all the Covenanted Officers of Government in the Judicial and Revenue Departments:

1. The Right Honorable the Governor General in Council is pleased to determine, that no Officer, whatever his standing in relation to a vacant situation, will be appointed to succeed to it, unless he be considered by Government properly qualified to do justice to the trust about to be confided to him; and that, in the event of any deficiency in the requisite qualifications, he, as well as all others in the same predicament, will be passed over in favor of any Junior on the gradation list, competent to discharge the functions of the supposed office with real efficiency.

2. With a view to afford to Government the necessary information in regard to the official character and merits of every Officer employed, His Lordship in Council is pleased to direct, that every Officer, Court or Board to whom Covenanted Officers are placed in subordination, shall publicly report half-yearly, upon their Official qualifications and conduct, that the Report of the Magistrate and Collector upon his Deputy or Assistants shall be forwarded to the Commissioner, and by him with his own comments thereon, and a corresponding Statement with respect to all the Magistrates and Collectors, and independent Joint Magistrates and Deputy Collectors under his jurisdiction, to the Nizamut Adawlut or Sudder Board, as the Officer reported on may be subject to the one or the other; and that the superior Controlling Authorities, in like manner, shall review the whole of these Returns, and submit them, with a declaration of their own opinions in confirmation of, or dissent from those expressed by the Commissioners and Magistrates and Collectors respectively, and a Report upon the qualifications and conduct of all the Officers of the former class, for the information of Government. The Courts of Sudder Dewanny and Nizamut Adawlut will submit similar Reports regarding the Civil and Sessions Judges.

3. These Reports should present, in regard to each individual, a Statement of his general qualifications for the public service, with distinct reference to his temper, discretion, patience, and habits of application to public business, his knowledge of the Native languages, and pre-eminently, his disposition and behaviour towards the people, high and low, with whom he is brought into official contact.

4. The Controlling Officers will of course be held responsible for the effects of the misconduct of the Covenanted Subordinate Officers which they may fail to report; and it must be remembered by the Controlling

Officers, that if it shall sometimes be their ungrateful duty to allege incapacity or misconduct on the part of an inferior, they thereby perform a most acceptable service to the people, over whom such an incompetent or unworthy functionary is placed; and that they will also enjoy the opportunity of recording the meritorious qualities of those who are really worthy of such commendation, and of thus supplying the Government with data for the just and beneficial allotment of official rewards.

7. It is hereby further stipulated, that each Lot of Salt purchased shall be paid for within Three Calendar Months from the day on which the same shall be sold, and that in case the whole or any part of the Price or Purchase Money of such Salt shall not be paid on or before the time herein last mentioned, the whole of the Deposit made upon such Lot or Lots as shall not be so paid for, shall become forfeited to the United East India Company, and the whole of the Salt which may then remain unpaid for, shall be disposed of on account of the said United East India Company at such time or times, and in such manner as the Board of Customs, Salt and Opium may determine, and in the same manner as if the said Salt had not been previously sold.

and times of Sale may be appointed as the said Board may
from time to time order and determine; also that the
quantities advertised to be sold at the respective Sales may
be increased or diminished at any particular Sale or Sales,
provided that the entire quantity put up from March 1834 to
February 1835, both months inclusive, does not exceed
45,00,000 of Maunds.

10. The Public are assured, that no more than Forty-five Lacs of Maunds of Salt will be sold within the period above stated, but it will of course be competent to Govern-
ment to diminish that quantity, should circumstances render a reduction expedient, or to sell it as provided in the three following Conditions.

11. In the event of no bids in excess of the upset price being made for all or any of the Salt put up at any Sale of the Year, that is to say, at any Sale or Sales from March 1834 to February 1835, both months inclusive, such Salt for which there is no bid in excess of the upset price shall, at the discretion of the Board of Customs, Salt and Opium, either be put up to Public Sale in Calcutta, at some future period between the months of March 1834 and February 1835, or be sold by Private Sale in Calcutta, or be sold in the Interior by Private or Public Sale by the Government Officers as hereinafter provided.

12. The whole or any portion of the Salt appropriated under the above Condition to Private Sale, may be sold in quantities of not less than One Hundred Maunds to any Person applying for the same, at the Office of the Secretary to the Board of Customs, Salt and Opium.

13. The price per Hundred Maunds of the Salt to be sold by Private Sale, under the preceding Conditions, shall be determined by the average price per Hundred Maunds for which Salt from the same Ghant or Ghants has been sold at the Sales of the preceding Six Months, from which average price a deduction of Five per Cent., on account of Ready Money payments, (as hereinafter prescribed) may be made at the discretion of the Board of Customs, Salt and Opium, if no Salt has been sold from the said Ghant or Ghants at any Sale of the preceding Six Months, then the Board of Customs, Salt and Opium, shall fix a price per Hundred Maunds for the said Salt appropriated to Private Sale.

14. Notice of the quantity of Salt appropriated to Private Sale and the Conditions on which it is obtainable, shall be sent as soon as possible after the appropriation of the Salt to all the Principal Salt Marts, and to the Collectors and Outcherries in the vicinity of these Marts.

15. Parties desirous to Purchase any quantity of the reserved Salt, not less than One Hundred Maunds, shall receive Chars and Rowannahs for the same on paying the price (through a Sub-Treasurer's Receipt,) into this Office, or on paying the price in Sicca Rupees into the Treasuries of the Collectors of Patna, Dacca, Moorshedabad, Chittagong, Jessore, Midnapore, Hooghly, Burdwan, Bhaugulpore, Purneah, and such other Treasuries, as may be determined upon by the Board of Customs, Salt and Opium.

16. On the production at the Office of the Board of Customs, Salt and Opium, of the Collector's acknowledgements for the payment, and on the arrival of his advice, (which shall be sent without delay,) that such Receipts have been granted by him, Chars and Rowannahs will be issued in the names of the Parties who have purchased the Salt to themselves or their authorized Vakeels, provided however that if the Salt be already disposed of prior to the intimation of the Collector reaching this Office, the Money paid into his Treasury shall be returned without Interest, and this Condition is to be distinctly explained to the Individual making payment at the time the Money is received.

17. The above quantity of 45,00,000 Maunds of Salt is exclusive of the quantity not exceeding Twelve Thousand Maunds which will be delivered in the course of the said period to the French Government at Chandernagore, for the consumption of the Inhabitants of that Settlement, agreeable to the Provisions of the Convention concluded between Great Britain and France, under date the Seventh March, 1815. It is also to be considered exclusive of any Salt which Government may direct to be sold by retail, under the Provisions of Regulation X. of 1826.

18. All the Salt now advertised for Sale is to be cleared out from the Government Golahs within Four Months from the date of its being purchased; and in failure thereof, the Purchaser will be subject to the payment of a consolidated Golah Rent and Wastage, amounting, in the aggregate, to 3½ per Cent. per Annum, on the Sale Price at the Honorable Company's Sale of each Lot or Lots of Salt upon which the said Golah Rent and Wastage is claimable. It is further notified, with reference to the Provisions of Clause II, Section XXXVI. Regulation X of 1819, that the Board of Customs, Salt and Opium will, on no account, renew a Rowannah or Rowannahs covering Salt, which Purchasers may have failed to clear out within Twenty-four Months from the day of its Sale; and that the Article will, in this case, be held forfeited to Government, unless proof be exhibited by the Purchaser or Purchasers thereof, to the satisfaction of the said Board, that the delay in removing the Salt from the Public Golahs arose from causes over which he or they had no control; and it is further declared, that no objection as to the quality of Salt, whether the same shall have been affected by storm, inundation, or any other cause whatever shall be received from any Purchaser, unless the same shall be made within Six Calendar Months from the day of the Purchase of the Salt the quality of which may be objected to.

19. No Interest shall be claimable by or be paid to the Board on Money due on account of Salt purchased, under these Conditions of Sale, nor shall any Interest be claimable by or be paid to Purchasers in the event of Purchase Money being refunded to them by order of Government or the Board.

20. The Superintendent of the Sale shall be empowered to reject the Bid of any Individual, unless he shall, if required, tender, at the time of Bidding, a Deposit in Cash or Government Securities (at par for the principal amount only) of Ten per Cent. on the price of each Lot he may propose to purchase.

21. For the facility of the Purchaser or Purchasers the said Board will grant Chars and Rowannahs authorizing the delivery of the above Salt to the Purchaser or Purchasers, or to the Bearers of such Chars and Rowannahs; and it is specially and distinctly declared, that the Assignee or Assignees of any Char and Rowannah shall be entitled to receive such quantity of Salt as may be specified in such Char and Rowannah, on application and delivery of the Char to the Salt Agent, to whom the same may be addressed, and that all Chars and Rowannahs will be recognized by the Board of Customs, Salt and Opium, as negotiable documents, in as much as if they were Government Promissory Notes, and similarly transferable.

22. It is to be understood by the Purchasers of Salt under this Advertisement, that, in the event of any dispute or difference arising touching or concerning any Purchase of Salt, under the foregoing Conditions of Sale, or touching

any Covenant, Clause or Proviso as herein before contained, the same shall and may be tried, construed, determined, and decided, in and by the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

By Order of the Board of Customs, Salt and Opium, the 25th of February, 1834.

NOTICE is hereby given, that if Goods passed through this Office for a specified Vessel, be taken, directly or indirectly, and put on board of any Vessel other than that for which the said Goods have been passed through the forms of this Office, no Drawbacks, nor Certificates for other Presidencies, will be granted. And if such Goods be seized in illegal transit to, or when alongside of, a Vessel other than that for which they have been passed through this Office, they will be liable to eventual confiscation under Section III. Regulation III. of 1830.

If Goods which have been passed for a specified Vessel, cannot, for whatever reason, be taken on board that Vessel, and are fairly brought back to the Custom House for Re-land and subsequent Re-Export to the same Vessel, or to any other, or for regular Transshipment, every facility will, as usual, be afforded for such transactions.

By Order of the Board of Customs,

G. J. SIDDON,

Calcutta Custom-House, the 28th September, 1832.

CALCUTTA CUSTOMS.

SEA DEPARTMENT.—If Goods are Exported in full of Rowanahs then current; but are Re-landed, and not subsequently Re-exported until after the Rowanahs are time-expired, then such Goods are considered as fresh Exports, are treated as if they had never been protected by Rowanahs, and Duty is taken, if any be leviable on such Goods under the Regulations. But upon request made on the face of Re-land Applications (not otherwise) parties will be furnished with Certificates giving particulars of Rowanahs, in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required, they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export, and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portions of Goods being Re-landed, no such Certificates as those above described will be issued.

By Order of the Board of Customs, dated 26th February, 1833,

G. J. SIDDON, Collector.

28th February, 1833

1 to 9. State that from the nature of the Orders received from time to time, some doubt exists as to the scale of Pensions which the Court are disposed to recognize as claimable from Lord Clive's Fund by Chaplains retiring from ill health before the full period of the Service, and by the Widows of Chaplains, and request to be furnished with fresh and explicit instructions on the subject.

Para. 11. Chaplains who have not served 7 years in India, are admissible to the benefit of Lord Clive's Fund in the rank of Captain. But it is hereby expressly declared, that the above-men-
tioned days of Sale may be altered, and that such other days
and times of Sale may be appointed as the said Board may
from time to time order and determine; also that the
quantities advertised to be sold at the respective Sales may
be increased or diminished at any particular Sale or Sales,
provided that the entire quantity put up from March 1834 to
February 1835, both months inclusive, does not exceed
45,00,000 of Maunds.

10. The Public are assured, that no more than Forty-
five Lacs of Maunds of Salt will be sold within the period
above stated, but it will of course be competent to Govern-
ment to diminish that quantity, should circumstances render
a reduction expedient, or to sell it as provided in the three
following Conditions.

11. In the event of no bids in excess of the upset price
being made for all or any of the Salt put up at any Sale of
the Year, that is to say, at any Sale or Sales from March
1834 to February 1835, both months inclusive, such Salt for
which there is no bid in excess of the upset price shall, at the
discretion of the Board of Customs, Salt and Opium, either
be put up to Public Sale in Calcutta, at some future period
between the months of March 1834 and February 1835, or
be sold by Private Sale in Calcutta, or be sold in the Interior
by Private or Public Sale by the Government Officers as
hereinafter provided.

12. The whole or any portion of the Salt appropriated
under the above Condition to Private Sale, may be sold
in quantities of not less than One Hundred Maunds to any
Person applying for the same, at the Office of the Secretary
to the Board of Customs, Salt and Opium.

13. The price per Hundred Maunds of the Salt to be
sold by Private Sale, under the preceding Conditions, shall be
determined by the average price per Hundred Maunds for
which Salt from the same Ghaut or Golah has been sold at
the Sales of the preceding Six Months, from which average
price a deduction of Five per Cent., on account of Ready
Money payments, (as hereinafter prescribed,) may be made
at the discretion of the Board of Customs, Salt and Opium,
if no Salt has been sold from the said Ghaut or Golah at
any Sale of the preceding Six Months, then the Board of
Customs, Salt and Opium, shall fix a price per Hundred
Maunds for the said Salt appropriated to Private Sale.

14. Notice of the quantity of Salt appropriated to Private Sale and the Conditions on which it is obtainable, shall be sent as soon as possible after the appropriation of the Salt to all the Principal Salt Marts, and to the Collectors and Cutcherries in the vicinity of those Marts.

15. Parties desirous to Purchase any quantity of the reserved Salt, not less than One Hundred Maunds, shall receive Chars and Rowannahs for the same on paying the price (through a Sub-Treasurer's Receipt,) into this Office, or on paying the price in Sicca Rupees into the Treasuries of the Collectors of Patna, Dacca, Moorshedabad, Chittagong, Jessore, Midnapore, Hooghly, Burdwan, Bhaugulpore, Purneah, and such other Treasuries, as may be determined upon by the Board of Customs, Salt and Opium.

16. On the production at the Office of the Board of Customs, Salt and Opium, of the Collector's acknowledgements for the payment, and on the arrival of his advice, (which shall be sent without delay,) that such Receipts have been granted by him, Chars and Rowannahs will be issued in the names of the Parties who have purchased the Salt to themselves or their authorized Vakeels, provided however that if the Salt be already disposed of prior to the intimation of the Collector reaching this Office, the Money paid into his Treasury shall be returned without Interest, and this Condition is to be distinctly explained to the Individual making payment at the time the Money is received.

17. The above quantity of 45,00,000 Maunds of Salt is exclusive of the quantity not exceeding Twelve Thousand Maunds which will be delivered in the course of the said period to the French Government at Chandernagore, for the consumption of the Inhabitants of that Settlement, agreeable to the Provisions of the Convention concluded between Great Britain and France, under date the Seventh March 1815. It is also to be considered exclusive of any Salt which Government may direct to be sold by retail, under the Provisions of Regulation X. of 1826.

18. All the Salt now advertised for Sale is to be cleared out from the Government Golahs within Four Months from the date of its being purchased; and in failure thereof, the Purchaser will be subject to the payment of a consolidated Golah Rent and Wastage, amounting, in the aggregate, to 34 per Cent. per Annum, on the Sale Price at the Honorable Company's Sale of each Lot or Lots of Salt upon which the said Golah Rent and Wastage is claimable. It is further notified, with reference to the Provisions of Clause II., Section XXXVI. Regulation X. of 1819, that the Board of Customs, Salt and Opium will, on no account, renew a Rowannah or Rowannahs covering Salt, which Purchasers may have failed to clear out within Twenty-four Months from the day of its Sale; and that the Article will, in this case, be held forfeited to Government, unless proof be exhibited by the Purchaser or Purchasers thereof, to the satisfaction of the said Board, that the delay in removing the Salt from the Public Golahs arose from causes over which he or they had no control; and it is further declared, that no objection as to the quality of Salt, whether the same shall have been affected by storm, inundation, or any other cause whatever shall be received from any Purchaser, unless the same shall be made within Six Calendar Months from the day of the Purchase of the Salt the quality of which may be objected to.

19. No Interest shall be claimable by or be paid to the Board on Money due on account of Salt purchased, under these Conditions of Sale, nor shall any Interest be claimable by or be paid to Purchasers in the event of Purchase Money being refunded to them by order of Government or the Board.

20. The Superintendent of the Sale shall be empowered to reject the Bid of any Individual, unless he shall, if required, tender, at the time of Bidding, a Deposit in Cash or Government Securities (at par for the principal amount only) of Ten per Cent. on the price of each Lot he may propose to purchase.

21. For the facility of the Purchaser or Purchasers the said Board will grant Chars and Rowannahs authorizing the delivery of the above Salt to the Purchaser or Purchasers, or to the Bearers of such Chars and Rowannahs; and it is specially and distinctly declared, that the Assignee or Assignees of any Char and Rowannah shall be entitled to receive such quantity of Salt as may be specified in such Char and Rowannah, on application and delivery of the Char to the Salt Agent, to whom the same may be addressed, and that all Chars and Rowannahs will be recognized by the Board of Customs, Salt and Opium, as negotiable documents, in as much as if they were Government Promissory Notes, and similarly transferable.

22. It is to be understood by the Purchasers of Salt under this Advertisement, that, in the event of any dispute or difference arising, touching or concerning any Purchase of Salt, under the foregoing Conditions of Sale, or touching

any Covenant, Clause or Proviso as herein before contained, the same shall and may be tried, construed, determined, and decided, in and by the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

By Order of the Board of Customs, Salt and Opium, the 25th of February, 1834.

W. R. YOUNG, *Offg. Secretary.*

At a Meeting of Civil Servants, Subscribers to the Annuity Fund Institution, held pursuant to notice at the Town Hall, on Friday, the 7th March, 1834.

PRESENT—

Messrs. James Pattle, G. Saunders, N. J. Halhed, The Honorable J. E. Elliot, R. Tulloh, H. T. Prinsep, R. Saunders, H. M. Parker, J. F. M. Reid, G. A. Bushby, J. A. Dorin, R. D. Mangles, J. Colvin, G. F. MacIntock, J. W. Alexander, Secretary.

Mr. James Pattle was called to the Chair.

Read a Letter from Mr. Officiating Secretary Bushby, dated 30th December last, with Enclosures.

On the motion of Mr. H. M. Parker, the Proceedings of the Special General Meetings held on the 26th August, 1833, and 28th October last, were laid on the table.

Mr. H. T. Prinsep then proposed the following Resolutions:—

That it appears to this Meeting that the value of each Annuity will be increased, under the condition of paying it for the broken period of the year of decease, by a sum equal to the present value of a payment of £500 (half a Year's Annuity) to be made at the end of the period assumed, in the Table annexed to the printed rules, for the duration of the Annuitant's life.

That upon this calculation the total value to be added to the valuations of the Table for the Annuities granted under the rule proposed will be the sums entered in the annexed Statement, and the proportion of Fine to be contributed on retirement will consequently be the half of each, as stated in the adjoining column of the same Statement.

That in the event of the adoption of the rule suggested, by which the Annuities will be made payable to the date of the Annuitant's decease, it will be necessary to transfer to the appropriated Fund of the Institution a sum in each instance equal to the value of a future payment of £500, or Sa. Rs. 5000, computed for the age of the Annuitant according to the above scale.

That in like manner if the Annuities of £1,000 be paid quarterly instead of as at present at the close of the year, the difference of value to the Fund will be nine months interest on the first quarterly payment of £250, plus 6 months interest on the second, plus 3 months interest on the third, making, on the assumption of 6 per cent. for the rate of interest, £22 10s. or 225 Sa. Rs. per annum. That the value of an additional Annuity of this amount, according to the Tables of the Institution, will be as entered in the subjoined Table.

That if this advantage likewise be conceded to the Service by the Hon'ble Court of Directors, as may confidently be anticipated, there will similarly need to be transferred to the appropriated Funds of the Institution an additional sum computed for the life of each Annuitant at the rates of the subjoined Table.

That it appears to this Meeting to be very desirable that retiring Servants should be enabled to take Annuities payable quarterly and continued to the date of decease; and if, contrary to expectation, the representation of the Civil Servants relating thereto should be other than advantageous, without any addi-

tional payment, be not acceded to by the Hon'ble Court of Directors, the Members of the Service will still consider it an advantage, if they be permitted henceforward to take Annuities on the terms offered, namely, on paying the required proportion of the additional values to be transferred to the appropriated Fund in order to cover the charges incurred.

But that the occasion should be taken to solicit the attention of the Honorable Court to the inutility of calling for any additional contribution, either by increase of Fine, or in any other form, when there is in the present condition and resources of the Institution at this Presidency a Fund amply sufficient to provide for both objects without trenching on its stability or means

That according to the Accounts of the Fund, made up to the 30th April last, the surplus in hand on that date in excess of the balance reckoned upon in the prospective calculations of the Fund, was Sa. Rs. 27,12,289. The interest of which sum alone is more than sufficient to provide for both objects.

That it will require to be considered in case the rules proposed be adopted, whether or no to extend the benefit of the payment of the Annuity to the date of decease, and the further advantage of payments quarterly to existing Annuitants, or to make either or both rules prospective only, and give the benefit of them exclusively to future Annuitants.

That upon the existing Annuities, thirty-four in number, the total sum to be added to the appropriated balance of the Fund, in order to cover a conversion of them into Pensions payable to the date of decease, will be Sa. Rs. 71,830.

That the further sum to be transferred, in order to convert the same number of Annuities into Pensions payable by the quarter, will be Rs. 68,514.

That it be submitted to the Hon'ble Court to provide for these further appropriations accordingly as they may determine in respect to the admission or otherwise of the Annuitants to the benefit of the rules, and whether gratuitously or on contributing the proportionate value of the advantages given.

That the Committee of Management of the Institution be requested to prepare Rules, framed on the principles above explained, in order that the same may be submitted for the adoption of the Service at large, and eventually forwarded to the Hon'ble Court of Directors with a suitable representation.

The above Resolutions having been read and submitted from the Chair, Mr. Mangles proposed the following amendment to be substituted for them :

That, since the Hon'ble Court of Directors could not have been aware at the date of their Dispatch to the Government of Bombay, dated the 10th June last, of the prayer of the Memorial submitted to them under date the 25th September last, or of the tenor of the Propositions laid before them on the 26th August last, this Meeting, anticipating a favorable result to these applications does not consider the Service to be in a position to discuss the question of a continuance of the Annuities to the date of death as proposed for their consideration in the present Dispatch of the Honorable Court.

The Amendment, being seconded by Mr. Colvin, was put from the Chair, when the votes being equal in number for and against it, the Amendment was not carried.

The original Resolutions being then put to the vote, were carried by a majority, consisting of nine Members present at the meeting.

The votes by Proxy, addressed to the Chairman of the meeting, 7 in number, being opened, were in favor of the question; none were in favor of the proposition to postpone the consideration of it.

The thanks of the Meeting were then voted to the Chairman for his able and impartial conduct in the Chair.

Civil Service Anny. Fund Office, 12th March, 1834.

Rules prepared by the Committee of Management, in conformity with the above Proceedings.

RULE 23.—In modification of the 28th Rule of the Institution, it is hereby provided that from and after the 30th of April next ensuing, Annuities will be granted to retiring Members of the Service, entitled to and claiming the same payable to the date of decease, on their entering into a written

engagement by binding themselves to pay, if so required by the Honorable the Court of Directors, a sum equal to half the value of the benefit derived under this condition. The computation of the said value will be made according to the annexed Table, unless otherwise ordered by the Honorable Court of Directors, to whose correction the calculations are subject.

For every Annuity made payable to the date of decease under the above Rule, a sum equal to the discount value of the additional payment stipulated as entered in the Table annexed, (or in any corrected Table that may be substituted for the same, if the Court of Directors shall direct such substitution,) shall be transferred in the accounts of the Institution to the head of appropriated Assets, in order to cover the additional charge to the Fund arising from such payment.

N. B.—This Rule, if a similar be adopted at the other Presidencies, may be at once carried into effect, the calculations, &c. being subject to the correction of the Court of Directors. Vide letter to Bombay Government, 10th June 1833, towards the end.

RULE 31.—In further modification of the 28th Rule above referred to, it is hereby provided that, from and after the 30th April 1835, Annuities will, at the option of retiring Servants, be given, payable either as at present at the close of the year, or quarterly, after each three Months of the year. Provided however, that for every Annuity made payable quarterly, an additional sum equivalent to this advantage, computed according to the Table annexed, shall be transferred to the head of appropriated Funds in the accounts of the Institution, in order to cover the additional charge to it from this alteration in the mode of payment.

5. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the Current Year, the same precautions have been taken as those which have been observed during the Thirty-five preceding Years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of Leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake.—The Instructions issued to the Agents relative to the Provision of the said Opium, together with an account of the Weight of the Drug when packed at Behar and Benares, and a Statement of the average Weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

All the Salt now advertised for Sale is to be cleared out from the Government Golahs within Four Months from the date of its being purchased; and in failure thereof, the Purchaser will be subject to the payment of a consolidated Golah Rent and Wastage, amounting, in the aggregate, to 34 per Cent. per Annum, on the Sale Price at the Honorable Company's Sale of each Lot or Lots of Salt upon which the said Golah Rent and Wastage is claimable. It is further notified, with reference to the Provisions of Clause 11, Section XXXVI. Regulation X. of 1819, that the Board of Customs, Salt and Opium will, on no account, renew a Rowannah or Rowannahs covering Salt, which Purchasers may have failed to clear out within Twenty-four Months from the day of its Sale; and that the Article will, in this case, be held forfeited to Government, unless proof be exhibited by the Purchaser or Purchasers thereof, to the satisfaction of the said Board, that the delay in removing the Salt from the Public Golahs arose from causes over which he or they had no control; and it is further declared, that no objection as to the quality of Salt, whether the same shall have been affected by storm, inundation, or any other cause whatever shall be received from any Purchaser, unless the same shall be made within Six Calendar Months from the day of the Purchase of the Salt the quality of which may be objected to.

19. No Interest shall be claimable by or be paid to the Board on Money due on account of Salt purchased, under these Conditions of Sale, nor shall any Interest be claimable by or be paid to Purchasers in the event of Purchase Money being refunded to them by order of Government or the Board.

20. The Superintendent of the Sale shall be empowered to reject the Bid of any Individual, unless he shall, if required, tender, at the time of Bidding, a Deposit in Cash or Government Securities (at par for the principal amount only) of Ten per Cent. on the price of each Lot he may propose to purchase.

21. For the facility of the Purchaser or Purchasers the said Board will grant Chars and Rowannahs authorizing the delivery of the above Salt to the Purchaser or Purchasers, or to the Bearers of such Chars and Rowannahs; and it is specially and distinctly declared, that the Assignee or Assignees of any Char and Rowannah shall be entitled to receive such quantity of Salt as may be specified in such Char and Rowannah, on application and delivery of the Char to the Salt Agent, to whom the same may be addressed, and that all Chars and Rowannahs will be recognized by the Board of Customs, Salt and Opium, as negotiable documents, in as much as if they were Government Promissory Notes, and similarly transferable.

22. It is to be understood by the Purchasers of Salt under this Advertisement, that, in the event of any dispute or difference arising, touching or concerning any Purchase of Salt, under the foregoing Conditions of Sale, or touching any Covenant, Clause or Provision as herein before contained, the same shall and may be tried, construed, determined, and decided, in and by the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

By Order of the Board of Customs, Salt and Opium, the 25th of February, 1884,

W. R. YOUNG, Off. Secretary.
